

DEPARTMENT OF THE NAVY
VICE CHIEF OF NAVAL OPERATIONS
2000 NAVY PENTAGON
WASHINGTON, DC 20350-2000

IN REPLY REFER TO:

5000
Ser N09/18U100536
10 Dec 18

From: Vice Chief of Naval Operations

Subj: READINESS REFORM OVERSIGHT COUNCIL MEETING RECOMMENDATION
TRANSITION MEMORANDUM

Encl: (1) RRSB Slide Deck - 13NOV18
(2) Transition Info Papers

1. The Readiness Reform Oversight Council (RROC) held its fifth meeting on 13 November 2018. 28 Readiness Reform recommendations were nominated for transition from RROC oversight to appropriate Navy stakeholders, as briefed in enclosure (1).

2. Having reviewed the Readiness Reform Working Group's (RRWG) plans to monitor, assess, make adjustments, and report on the performance and outcomes of those recommendations, per enclosure (2), and with the concurrence of Commander, U.S. Fleet Forces Command and Commander, Pacific Fleet, the following Readiness Reform recommendations are approved for transition to cognizant officers of primary responsibility:

- CC 3 / 4: Realign Type Commanders
- CC 7: Disestablish U.S. Fourth Fleet
- FD 5: Reestablish a ship-check validation process
- FD 7: Review Bridge control systems
- FD 9: Develop standards for human performance
- FD 10: Accelerate RADARs and electronic navigation
- FD 12: Establish single Bridge systems authority
- TR 1 / 4 / 5 / 6: SWO Career Path and Training
- TR 2: Surface Warfare Officer career logs
- TR 7: Improve Operational Risk Management training
- TR 8: Update SWO requirements Document
- TR 10: Yard patrol craft for officer accession programs
- TR 17: Update PQS for Bridge and CIC watch stations
- TR 21: Revise the NAVDORM
- M 1 / 2 / 3 / 19 / 20: SWO Career Path Reforms
- M 10 / 11: FDNF Manning and Overseas Screening
- M 13 / 14 / 15: FDNF-J Manning

Subj: READINESS REFORM OVERSIGHT COUNCIL MEETING RECOMMENDATION
TRANSITION MEMORANDUM

3. The Readiness Reform Working Groups and Readiness Reform Steering Group are commended for their diligent efforts to effect real and lasting reforms in order to improve the operational safety, warfighting readiness, and lethality of our Naval Forces.
